OKLAHOMA BICYCLE SOCIETY

Oklahoma Bicycle Society

Oklahoma Bicycle Society (OBS) was organized in 1973 to promote all aspects of bicycling in the state of Oklahoma. Most of OBS's 400+ members live in the central part of the state in or near Oklahoma City, but there are also members scattered throughout the state and several who reside in surrounding states. OBS members are happy to provide information about cycling in Oklahoma to anyone interested.

Membership is only \$20 per year.
